

Governance & Constitution Overview

Public governance summary

Governance Commitment

GPAF is committed to integrity, transparency, accountability, inclusion, responsible stewardship and compliance with applicable Ghanaian laws and donor requirements.

Governance Structure

- Board of Directors / Trustees - strategic oversight, fiduciary responsibility and policy direction
- Executive Leadership - organisational management and strategy execution
- Programme Team - project design and delivery
- Finance & Administration - financial control, procurement and administration
- Monitoring, Evaluation & Learning - results, evidence and organisational learning

Core Values

- Integrity
- Sustainability
- Innovation
- Empowerment
- Inclusion
- Partnership
- Accountability

Key Policy Areas

As the organisation develops, its governance framework should include safeguarding, anti-fraud and anti-corruption, conflicts of interest, procurement, financial management, gender and inclusion, environmental and social safeguards, data protection and whistleblowing.

Important Note

This document is a public overview and is not a substitute for GPAF's signed constitution, board resolutions or statutory registration records.
