

Organisation Profile

Public institutional profile

Who We Are

Green Prosperity Africa Foundation (GPAF) is a Ghana-based, non-profit and non-partisan development organisation connecting climate resilience with practical economic opportunity. GPAF works with communities, young people, women, farmers, entrepreneurs, businesses, public institutions and development partners.

Vision

A prosperous and climate-resilient Africa where every person has the opportunity to build a sustainable livelihood and live with dignity.

Mission

To empower vulnerable communities through climate-smart solutions, enterprise development, skills, sustainable livelihoods and strategic partnerships.

Programme Areas

- Climate Action & Resilience
- Sustainable Agriculture & Food Systems
- Green Entrepreneurship & MSME Development
- Youth & Women Economic Empowerment
- Circular Economy & Waste-to-Wealth
- Research, Advocacy & Partnerships

2031 Ambition

GPAF aims to reach more than 100,000 people, support 5,000 entrepreneurs and MSMEs, strengthen or create 1,500 enterprises, enable 3,000 jobs or self-employment opportunities, support 4,000 farmers and agro-processors, and deliver restoration equivalent to 250,000 trees.

Motto

Green Growth. Shared Prosperity.
